The Safe & Healthy Schools Network Meetings bring together key district staff with coordination and oversight of student health and wellness, positive school climate, and systems alignment along with relevant community partners offering content expertise or direct resources to strengthen student health and wellness and school climates across Santa Clara County.

Meeting outcomes include:

- Building professional and peer level support
  - Identifying potential resources
  - Guided focus on data as it relates to needs and outcomes
  - Identifying specific district level technical assistance needs
  - Coordination of individual district or county-wide capacity building
  - Support policy (TA) around CA laws and Ed Code specific to student support, safe schools, school climate, health and wellness, Foster Youth and Homeless Educational Services
  - Provide program and initiative awareness, information and updates
  - Networking opportunity (cross-district and agencies)
  - Multi-Tiered System of Supports (MTSS) lens to support 3-5 year alignment plan
  - Youth and community engagement
  - Addressing barriers, communication and feedback
  - Opportunities to visit exemplar programs in districts and school sites
