## CalSCHLS Data Workshop

### *Tobacco-Use Prevention Education*

This on-site, 4-hour Data Workshop is designed to engage district and school staff in learning what's new with student (CHKS), staff (CSSS), and parent (CSPS) CalSCHL Surveys; learning how to administer student (CHKS), staff (CSSS), and parent (CSPS) CalSCHL Surveys; learning to examine and use student (CHKS), staff (CSSS), and parent (CSPS) CalSCHLS data.

- **Why collect CalSCHLS data?**
  - TUPE Requirements
  - LCAP Needs
  - Student Supports
- **What's new with CalSCHLS?**
  - New(ish) website
  - New changes to the CHKS, CSSS and CSPS
  - New data dashboards (district and school)
    - New trend reports
    - New disaggregated reports for LCAP subgroups
    - New school comparison reports
- **How can you act on CalSCHLS data?**
  - Which universal supports are robust?
  - Which have room for growth?
  - Which call for action?
  - Participants will:
    - Select one support to focus on during the workshop
    - Use the data to support their choice
    - Review resources for taking action on their CalSCHLS data
    - Decide on one action to take after the workshop
    - Create a plan for taking action
